Don’t forget to ask about our daily drink specials

The Bartender or Duty Officer have the obligation to curtail your consumption of alcoholic beverages.

Consuming distilled spirits, beer, coolers, wine, and other alcoholic beverages during pregnancy can cause birth defects.

Not an American Legion Family Member?
Just ask the bartender how you can join our family

Note: Typical mixed drinks like Vodka & Tonic, Gin & Tonic, Rum & Coke, etc., are served in our smaller drink glasses. This is typical so that you enjoy the flavor of your alcohol choice proportionate to the mix. If you desire one of these drinks in a large glass, you will be offered the option of adding a second portion of your alcohol choice at the additional drink choice price.
